Kenneth E. Brown  
Commissioner Ward II

April 23, 2013

CONGRATULATIONS, to the Paces Foundation on the First Ever LEED Platinum Multifamily for Panama City.

I would like to be in Tallahassee today and help celebrate this exciting honor; unfortunately my duties prevent me from traveling today.

As Commissioner of Ward II, where Panama Commons, the honored property is located, I would like to say "Thank You" to Paces for all the extra planning and effort that went into this project. Panama Commons is a wonderful addition to our community and a great example of cooperation and innovation and are very deserving of this special recognition.

Sincerely,

A handwritten signature in black ink, appearing to be "K. Brown", written over a horizontal line.

Kenneth Brown, Commissioner Ward II
